

Design input forms that validate data (e.g., email, phone number) and display error messages. HTML/CSS, JavaScript (with Validator.js).

The image shows a registration form titled "Registration Form" centered on a light gray background. The form is a white rounded rectangle containing four input fields and a submit button. The fields are labeled "Full Name:", "Email Address:", "Phone Number:", and "Password:". Each label is followed by a white rectangular input box with a thin gray border. At the bottom of the form is a solid blue button with the word "Register" in white text.
